

## Kevin Hermening

Thank you for the privilege of serving as the MEGA Treasurer the past three years.

I am seeking the position of Treasurer for another term. The current Board of Directors is dedicated to the future success of MEGA, and it is my desire to remain intricately involved in shaping the near- and long-term future of the organization.

MEGA is in excellent financial shape, and it is incumbent upon us to provide good financial stewardship to MEGA's members.

I respectfully ask for your vote as Treasurer of MEGA for 2019-2022.
