

JOB ANNOUNCEMENT

ACCEPTING RESUMES: July 27-August 13, 2021

JOB LOCATION: Northern CA Bay Area

POSITION TITLE: Covert Security Specialist

STATUS/HOURS: Full-Time W2 Employee

POSITION OVERVIEW:

Tremendous private sector security opportunity in Northern California for transitioning USMC veterans. Work with a team of specialists conducting plainclothes covert observation, assessment, and engagement functions supporting security operations that are part of a specialized physical security program. This includes supporting a team to positively identify, track, document, and escalate suspicious or concerning activities at client sites. This is a rare and rapid fill position in an extraordinary organization that promotes future career expansion and exceptional enhanced security training and education.

DUTIES & RESPONSIBILITIES:

- Perform covert operations in support of site and personnel protection within assigned area.
- Proactively assess and detect potential threats while remaining undetected.
- Document incidents via preferred internal client methods.
- Active observation of client campuses via preferred fixed and mobile methods
- Provide timely and appropriately channeled escalations.
- Maintain suitable communication along with providing periodic reporting to supervisors.
- Participate in initial and reoccurring covert operations training.
- Demonstrate responsibility for all equipment used in support of covert operations.
- Other duties and special projects assigned, as necessary.

DESIRED PERSONAL ATTRIBUTES:

- Professional demeanor in appearance, interpersonal relations, work ethic, and attitude.
- Excellent communication skills, including fluency in English, both spoken and written.
- Works well independently and as part of a team.
- Takes responsibility and ownership for assigned and self-initiated tasks.
- Foundational understanding of corporate security and covert security operations.
- Rapid and effective decision-making during unusual events or emergencies.
- High levels of discretion and confidentiality.
- Customer service focus.
- Impeccable ability to maintain a professional relationship with the client.

COMPUTER KNOWLEDGE:

- Required – Google Suite, MS Office proficient, Outlook, Word, Excel, etc.
- Have a general understanding of common technology platforms.
- Ability to make rapid notifications via common communication tools.

MINIMUM & DESIRED QUALIFICATIONS:

- Three (3) years or greater experience in relevant training and qualifications.
- Military experience preferred.

- Highschool diploma or GED equivalent.
- Ability to pass a background check, drug screening, and possess a valid driver's license.
- Must possess unrestricted work authorization.
- Current CA BSIS Guard Card (PFC will facilitate upon selection and onboarding)

PHYSICAL DEMANDS:

- Constant: Sitting, Standing, Seeing, Listening, Speaking.
- Periodic: Physical Training, Specialized Training.
- Ability to climb stairs and walking inclines and on uneven terrain.
- Ability to lift and/or move at least 50 pounds.

WORK ENVIRONMENT:

- Work typically performed as mobile team member, driving, walking, biking, etc.

COMPENSATION & BENEFITS:

- Competitive hourly pay (based on qualifications and job requirements)
- Optimal day shift work schedule
- Weekends and holidays off
- Opportunities for overtime pay as required by operational needs
- Medical, dental, vision, disability, and life insurance
- Specialized initial, in-service, and advanced company training with Progressive FORCE Concepts and PFC Safeguards
- 401(k) plan with generous company match
- Paid time off, paid sick leave, and paid parental leave
- Client-provided CA Bay Area transportation/commuter benefits
- Tax free tuition reimbursement
- Employee Assistance Program (for unforeseen life events and hardships)
- Opportunities for advancement and career growth
